ADMINISTRATION

Class of 1984:

Individually and collectively you have added the mark of the Class of 84 to the history of D-R. Your part of that history began when you entered school for the first time as a kindergarten pupil. During the next thirteen years your teachers, counselors, administrators, and support staff played an important role as partners with your parents in your academic and social development. We are happy about our involvement and pleased with the results. You are prepared to take the next step into your adult life. We wish you every success in all your future endeavors.

Good luck,

Joseph C. Harrington, Ed.D.
Superintendent of Schools

During your years at Dighton-Rehoboth Regional High School, we have observed intently the Class of 1984. We have watched you suffer disappointment, and we have seen you share in the excitement of success. We have, in these years, watched you change from wary freshmen to confident seniors.

Now that process must repeat itself as you start again in a new school; a new job; or a new experience. We hope that your years at Dighton-Rehoboth will help you to begin that new venture with confidence and the knowledge that is essential for success.

Our best wishes go with you. You have left your mark on Dighton-Rehoboth, and you have been a very good class. We will remember you and we will miss you. Good luck and success to each and every member of the Class of 1984.

Mr. Marshall Sawyer
Principal

It is my wish that this milestone in your life will serve you well in preparing for the others that will follow in the future. In a rapidly changing world you will discover that your education cannot end when you receive your diploma. You must continue to add to and update your store of knowledge. May you be successful in whatever you choose to do and enjoy a long, healthy life.

George H. Petrin
Assistant Principal

TO THE CLASS OF 1984

Congratulations! You have journeyed through high school and are now ready to reach out to the world beyond. Continue to set goals and develop worthwhile values. Use your gifts and talents to live life fully and wisely.

My best wishes to each of you,
Francis M. Marcille
Assistant Principal
Director of Occupational Education

The membership in the National Honor Society increased greatly this year as several changes were made in the requirements for induction. In November, four seniors and ten juniors were inducted at the annual induction ceremony, and in March, 10 seniors became members. The N.H.S. sold candy at basketball games and had a very successful fundraiser delivering carnations for Valentines Day. The N.H.S. had a successful year as they could be seen in virtually every activity in the school, and as members received a reputation based on good performance and not disruptive activity.

STUDENT GOVERNMENT

Top: D. Marcous, S. Corrigan, L. Gousie, E. Day, L. Martin, L. Gousie, D. Leonardo, L. Desforges, J. Perra Middle: Mr. Laffoley, J. Silva, J. Coughlan, A. Travis, P. Russell, R. Hodgson, S. Silva, K. The Student Government of 1984 has been tremendously honored by he Mustard Seed Foundation. The Foundation has chosen to give Student Government a very active role in the choice of the Outstanding Student Scholarship and the Outstanding Teacher Award. Hopefully within the next four years this will bring a new light into our relationship in the school. Besides this, we were very active in the rejuvination of Spirit Week and the building of the Smoking area. The Smoking area led us to our Anti-Smoking Campaign in the schools of both Dighton and Rehoboth. The Blood Mobile and Ham and Bean Supper were both entirely successful. The Thanksgiving Day Basket Drive also went well. All together it was a good year in the Student Government and let us hope for better and better years in the future.

MATH TEAM

Despite a weak finish which cost a playoff position, the D-R Math Team was a force to be reckoned with. Leading all team scorers were Sophomore Cheryl Silva and Junior Karen Ficorilli, whose strong performances put the team in good shape for next year. Other high scorers include Seniors Mike Sullivan, John Drazek and Kevin Creighton and Junior Jon Monsarrat.

Top: K. Ficorilli, J. Drazek, D. Tebeau, A. Schultz, K. Creighton, R. Macdonald, J. Ryder, J. Monsarrat Bottom: J. Mello, M. Chadwick, K. Yelle, C. Silva, M. Sullivan

DECA

The 1983-1984 DECA club, led by Senior President Donna Melone, had a very successful year at D-R. They participated in many activities throughout the year. They took part in the District and State Career Development Conferences which were held in Hyannis, Massachusetts. The Club brought home 33 awards from the District Conference and 17 awards from the State Conference. The winners of the State Conference are now eligible to compete in National Competition which is being held in Kansas City, Kansas this year.

The Science Club's second year proved to be quite successful. Topics for this year included archaeology, horticulture, the brain and its behavior, hazardous wastes, pharmaseutics, and model rocketry. Club members took a field trip to the Boston Museum of Science and also went on a whale-watching cruise. The Science Club thanks Mr. Lippold, the club advisor, for his time and efforts.

Layout sheets, typing, and DEADLINES! This is what we do, and more. The yearbook staff is responsible for developing this whole book from start to finish. Editor Julie Coughlan, Asst. Editor Kim Harrison, and the rest of the staff have put in many long hours to create the best book possible. The staff wishes to thank Mr. Harwood for his help and guidance and hopes that everyone enjoys the 1984 yearbook.

DRAMA CLUB

Members pictured here actively participated in two productions this year. Both **The Pink Panther Strikes Again** and **The Mouse That Roared** were enjoyed by the D-R audiences. This year's club boasted more members than ever before. With pride the Drama Club carried on the theatrical tradition established long ago at D-R.

BAND COUNCIL

Band Council members had a very active year. The council this year has spent a majority of its time organizing fund raisers to benefit the D-R Marching Band. The fund raisers included car washes and a bottle and can drive, which were both a great success. Also this year council members traveled to both Dighton Junior High and Beckwith Middle School to gather support for upcoming marching bands. Hopefully the hard work this year's Band Council has put forth will greatly improve the music department in the years to come.

DISTRICT

Lisa Saunders

District Festival is composed of 88 high schools in Southeastern Massachusetts. Each year, members of our band and chorus compete with many high school students for a spot in either the chorus, band, or orchestra. Congratulations, Lisa, for being the only student selected.

SEMSBA

Top: E. Salley, J. Whitehead, J. Amaral, M. Baxendale, R. Abrahamson, W. Neville, B. Ide, G. Wehr, J. White, G. Webster Bottom: L. Casavant, L. Pray, C. Dansereau, B. Derlien, K. Wentworth, D. Croome, K. Daggett

Auditions! Auditions! Auditions! Ask any music student what he/she dreads the most and the answer will invariably be: auditions. This year, D-R was honored to host SEMSBA Auditions. We had twenty-four students audition and nineteen were selected. The festival was a tremendous success, and all students had a very rewarding musical experience.

TRI-COUNTY

D-R was privileged to host this festival last year. Bourne High School hosted Tri-County as part of their Tri-Centennial celebration. The three counties represented were Bristol, Plymouth, and Norfolk. Unlike District and SEMSBA. Tri-County is exclusively choral, with participating schools sending select performing groups for the concert. Our Sound Impressions performed for a third time along with the Case Singers. A splendid time was shared by all.

SOUND IMPRESSIONS

This year Sound Impressions celebrates their fifth anniversary. Sound Impressions' popularity keeps growing within the community. They have performed for the Senior Citizens, the Attleboro Grange, and other civic groups. Their choreography has steadily improved over the years, and this year's group is, by far, the best!

This overdeveloped group of copiers are training for a job with either the CIA or FBI (in some cases the KGB). Specializing in mug shots, these so called professionals should be avoided for reasons of National Security.

MEDIA CLUB

Top: S. Moore, T. Perry, M. MacMaster, S. Borden Bottom: E. Day, L. Snow

The Media Club offers students the opportunity to learn library skills while providing a valuable service to the school. These students give up their free study periods to work in the library. Upon request of teachers, they deliver the audio-visual equipment to the classrooms. They also sort mail, help set up library displays, issue books to other students, run errands for the library staff, and perform countless other tasks. Thanks girls!

NEWSTREET

This staff consists of conscientious journalism students who provide D-R students with a high school publication. **Newstreet** is a forum for student opinion as well as a vehicle for student entertainment. The staff covers items dealing directly and indirectly with school events, national happenings and controversial issues.

FRENCH CLUB

This year's French Club as well as having their traditional taffy pull, also included in their activities a French meal hosted by their advisor, Mrs. Mahoney. A spring trip to the Museum of Fine Arts capped off a pleasant year together.

We had a turbulant and changing season. We finished in third place in a new division with a 7-6 record. The loss of our top runner, John Fagundes, in the beginning of the year hurt the team, but we managed to pull together by winning the last four dual meets. Outstanding efforts by Tom Tracey, Bill Neville, Pete Annunziato, and Jim Coughlan, combined with seniors Kevin Creighton and Mike Sullivan accounted for most of the team scoring.

This year's field hockey team was a strong, determined bunch. Not only did the team advance to the semi-finals of the state tournament, but they also hold the best post-season record in the history of the school. Kerry McElroy, a junior, upheld her reputation as an outstanding, aggressive goalie by allowing, on the average, only .89 goals per game. Good luck to next year's team, and to our seven departing seniors: Sue, Pat, Kris, Cindy, Joann, and Karen.

The 1983 Falcon Football team compiled the best record in the school's history. The team finished the season with an undefeated 5-0 league record, to win the Southeastern Massachusetts division III Championship, and a lofty 9-1 overall record. At the season's end, the Falcon grid team was ranked fourth in the state in Division IV. Individually the Falcons placed a record seven members in the all-league team. The honored members were: Jeff Mendoza, Chris Whitmore, Andy McDonnell, Jim Cornell, Joe Lawton, Peter King, and John Koss. In addition, Peter King and John Koss were named to the All State Division IV squad, with Peter being chosen to play in the Shriners All-Star Football Classic. The 1983 Falcon football team will be remembered as a squad that never gave up, while providing their fans with some heart-stopping-come-from-behind victories. The successful 1983 football campaign was fittingly topped off on Thanksgiving morning with a convincing 22-7 trouncing of arch rival Seekonk.

The Volleyball team returned this year enthusiastic and ready for the new season. All team members worked hard throughout the season, never giving in to the tough competition. Co-captains Julie Coughlan and Heather Potter along with Coach Laffoley worked hard together, strengthening team weaknesses and creating a strong feeling of team spirit. The overall team effort was impressive and the success of the JV team indicates a strong returning team next year although six seniors will be graduating. Congratulations to the entire volleyball team for their combined efforts and best wishes to our seniors Julie, Heather, Cammila, Lynn, Dawn and Mishelle.

The winter concert this year was, as every year, excellent. The chorus and band each had separate selections and performed one number together. Indeed, it was an enjoyable evening for our audience.

Rod Corriea was selected to the league's All-Star team on the basis of his strong .324 average. The 1984 team fell just short of a .500 season with a 5-7 league and 8-10 overall record. We were in the running for a tournament spot, but lost our last 3 games to knock us out. We ended the season in 4th place, not a bad showing. Our three captains, Cindy McCabe, Joann Monteiro, and Mishelle Wehr, did a great job supporting the team and aiding their coach, Miss Waletkus, whose fine coaching led the girls to one of their best seasons in recent years. Awards went to Karen Ficorilli for Most Improved Player, and to Mishelle Wehr for both Most Valuable Player and SMCII All-Star Team.

Personal growth was this year's goal, and this was exhibited by all team members — which resulted in a successful season.

A strong junior-senior effort was responsible for such a successful season, with many freshman and sophomore athletes contributing. Sportsmanship, team unity, and personal effort characterize the 1984 Girls' Track Team. One special thing to note about this team is that other coaches and athletes claimed that our team was "the best bunch of girls they had seen." Every single girl improved this year. In fact, the team averaged 15 personal records every time we ran, jumped, or threw. There were no super performers on the team, but average athletes worked so hard that they made super performances that surprised the rest of the conference. All our meets were extremely close, and we gave all our competitors a good scare. Also, we wish to thank coaches Young and Moschella for their superb coaching and encouragement, for they gave us the best season ever.

Here are some girls in their events — we are a supportive bunch!

SPALDING

People come into our lives,
and walk with us a mile
Then becase of circumstance,
they only stay a while.
They serve a need within the
days, the days that pass
so quickly by
And then they’re beyond our
reach, we often wonder why
God only knows why we meet,
and share a moments smile
Why people meet, and walk
with us a mile.

The class of 1984 wishes to express its deepest sorrow in the passing of our dear classmate, James J. Cornell. Although no longer with us, his memory will be forever in the hearts and minds of his loved ones and friends.

Jimmie was a very special person to many people. Some of us had been with him since first grade. Others become close over the past four years, or had him as a student or player to coach. Jimmie had many sides to him: he was a classmate in Current Events, no. 71 on our spectacular football team, and an avid "Motorhead" fan. From every side, Jimmie was always cheerful, spirited, and a great guy to be with. We feel it was an honor knowing him — he will be greatly missed, but never forgotten.

Senior awards day was an exciting day for us. As we all sat waiting and watching, we realized that we **really** were graduating! We will remember all of Mike Sullivan's awards (if we can count that high), the infamous kisses for Mrs. Berube, Mr. Harwood, and Mr. Sawyer (from our foreign friends), and the other little surprises along the way. Everyone was surprised and happy with their awards, and some even got a little emotional. It was a day that some of us will never forget, because it was a special part of our graduation week.
